#### question Vietnam's premier golf destination - and one of Asia's most talked-about. With its dramatic coastline, upscale resorts, and an unrivaled concentration of top-tier courses, Danang combines world-class golf with cultural depth and natural beauty.

The city anchors Vietnam's "Golf Coast" and is home to an impressive lineup of championship layouts. Ba Na Hills Golf Club, designed by Luke Donald, is a mountainous masterpiece offering elevation changes and jungle-lined fairways. Hoiana Shores Golf Club, Vietnam's first Robert Trent Jones II design, stretches along a pristine beachfront and is already ranked among the best new courses in Asia. Legend Danang Golf Resort's Nicklaus and Norman courses add variety and pedigree, while Laguna Golf Lang Co - just

up the coast - brings in a Sir Nick Faldo design flanked by rice paddies and jungle. What sets Danang apart is not just the golf, but the **complete experience**. Courses are within easy reach of each other, yet each offers something entirely unique. Between rounds, visitors can enjoy luxury beachfront resorts, explore the lantern-lit streets of Hoi An, and indulge in central Vietnam's rich cuisine - from street-side bun cha to five-star fusion fare. Danang also makes travel easy. With an international airport just minutes from the beachfront and excellent road access to Hue and Hoi An, the logistics are seamless.

makes a perfect base. With consistent quality across all courses, unbeatable convenience, and an atmosphere that blends relaxation with sophistication, Danang truly is a must-play golf destination for anyone serious about the game - and the journey that comes with it.

Whether you're coming in for a few rounds or building a full Vietnam itinerary, Danang

#### country's most celebrated courses - and for good reason. As the first design by Robert Trent Jones II in Vietnam, Hoiana Shores has quickly risen to the top of many must-play lists for its dramatic links-style layout, sweeping sea views, and world-class facilities.

par-71 layout stretches to just over 7,000 yards and flows seamlessly through natural sandscapes and Casuarina pines. What makes Hoiana truly special is the course's ability to blend classic links characteristics - firm turf, open sightlines, and strategic shot-making with a tropical Vietnamese setting.

The routing offers two returning nines and finishes with a spectacular stretch of holes

Set on a pristine stretch of coastal dunes just 45 minutes south of **Danang**, this 18-hole,

hugging the shoreline. The standout holes - especially the 16th and 17th - are fully exposed to the ocean breeze, demanding precise shot control and rewarding creative play. With lanterns instead of flags atop each pin (a nod to nearby Hoi An's heritage), there's charm and challenge in equal measure throughout the round. Backed by top-tier practice facilities and an elegant clubhouse - complete with a renowned steakhouse and ocean views - Hoiana Shores offers a luxury golf experience from arrival to

the final putt. The course is part of the larger Hoiana Integrated Resort, making it easy to

pair a round with five-star accommodations, entertainment, and fine dining. For any golfer traveling to Vietnam's Golf Coast, this is a course that belongs firmly on the itinerary. To book your **tailored travel package** and find out more information, **please email us**.

#### After a day on the fairways at nearby world-class layouts like **Ba Na Hills** or **Hoiana Shores**, unwind in your own private sanctuary. Choose from spacious pool villas or airy sky suites - each blending modern design with a calm, natural aesthetic. Floor-to-ceiling glass, open-plan living, and generous outdoor space create an environment that feels both elegant and effortlessly relaxed.

Beyond the accommodation, Fusion lives up to its name with a full spectrum of experiences. Dine on everything from fresh-caught seafood to international classics across several restaurants, or sip a cocktail by the pool as the sun dips into the sea. The resort's signature spa - one of the largest in Vietnam - is a destination in itself, offering daily treatments that are included in your stay.

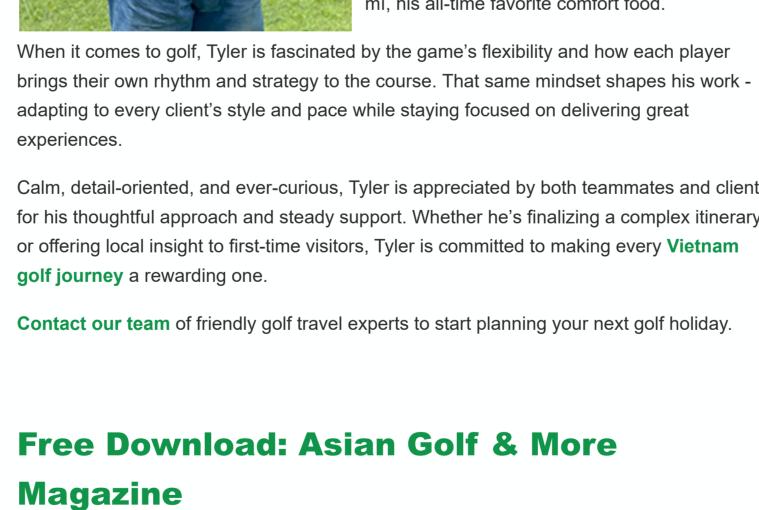

fitness center, kid-friendly activities, and scenic walking paths throughout the resort. And with Danang's best golf courses, vibrant markets, and cultural treasures just minutes away, you're never far from your next adventure. Whether you're chasing birdies or beachfront bliss, Fusion Resort & Villas Da Nang is the kind of place that turns a golf trip into something truly unforgettable.

Families and non-golfers are equally catered to, with direct beach access, a fully equipped
