## Welcome to Asia's Best Golf Holidays

Welcome to a brand-new edition of Golfasian's "The Asian Golf Insider", your go to source for the latest Asian golf travel insider news and updates.

The past few months have surely been rough for everyone, but we are glad to see a light at the end of the tunnel with global vaccine trials well under way and restrictions being eased or lifted entirely in many countries around the globe.

Here in Asia golf courses have opened from **Vietnam** to **Thailand**, hotels are open, and tourist attractions are welcoming visitors – albeit domestic for now.

Thailand, Vietnam, and Cambodia have in recent weeks reported zero community spread and are well underway of being 100% Covid-19 free. Reasonable safety protocols have been put in place to ensure residents and tourists alike are safe.

At Golfasian we are busy working with our partners and suppliers to update our products and are designing new packages for when you are ready to travel again.
