

The Asian Golf Insider

Hi {contactfield=firstname|Fellow Golfer},

Welcome to the June 2025 issue of the Asian Golf Traveler, the source for information about golf travel in Asia. Also, unique golf playing tips for South East Asia's tropical environment, announcements of golf travel promotions, and our latest subscription offer are all integral parts of today's newsletter.

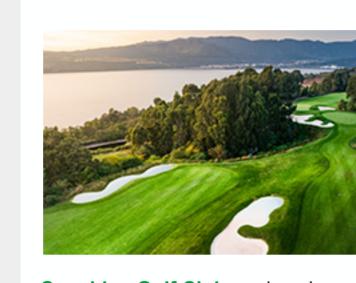

Best Inbound Golf Tour Operator We're kicking off the month in style with

two big events back-to-back - starting with the 10th Anniversary of the Centara **World Masters Golf Championship** in Hua Hin. What began as a single tournament has grown into a global tradition, bringing together over 3,700 golfers from 25 countries over the past

decade. This year, more than 450 players are teeing it up across Black Mountain, Pineapple Valley, and Springfield - a trio of world-class layouts that continue to make Hua Hin one of Asia's top golf destinations.

Hot on its heels, we head to Pattaya for the Avani Pattaya 2-Ball - an event that's all about fun formats, great company, and playing some of the best courses on the Eastern Seaboard. Head over to our Asia golf event calendar to see all upcoming events.

This month, we also want to shine a light on a place that's still under most golfers' radar - Yunnan, China. If you've never heard of Spring City Golf & Lake Resort, or haven't seen the views from 3,000 meters above sea level at Jade Dragon Snow Mountain Golf Club in Lijiang, you're in for a surprise. Add in Kunming's Sunshine Golf Club, and you've got a serious case for adding Yunnan to your golf

travel wish list. Contact us for trip ideas. Also, if you haven't yet, now's a great time to **tune into our podcast** - we've added lots of new interviews with golfers and industry friends sharing real stories and

insights from across Asia. You can find it on your favorite platform including Apple Podcasts, Spotify, Amazon Music, YouTube, Buzzsprout, and many more. And whether you're planning to escape the cold (hello to our Aussie and Kiwi friends) or you're looking ahead to a winter break (for those up north), now's the time to start

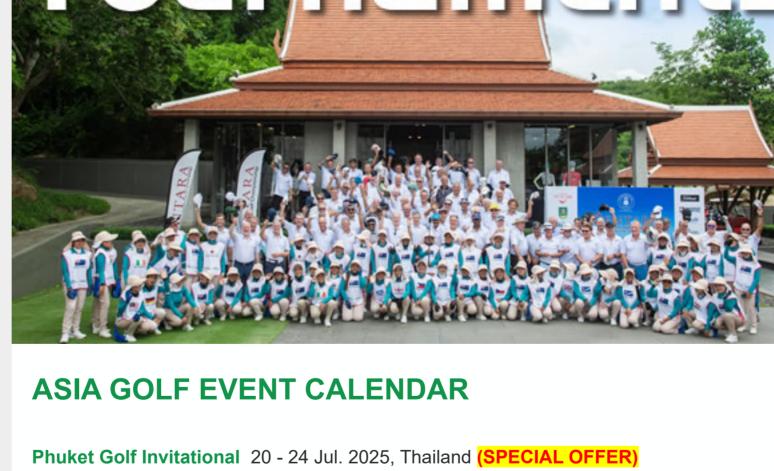

planning. Courses are in fantastic condition, it's quiet out there, and the best prices are right now. Contact us to start planning your next golf holiday to Asia. We're also proud to share that Golfasian has once again been nominated for the 2025 World Golf Awards. If you've traveled with us before and enjoyed your trip,

we'd truly appreciate your vote. Every vote counts, and your support helps us continue doing what we love - creating unforgettable golf holidays across Asia. For the latest golf travel insights and daily updates, follow us on our Facebook and Instagram. We look forward to helping you plan your next unforgettable golf holiday in Asia!

DESTINATION OF THE MONTH: Yunnan Tucked away in China's southwest, Yunnan is a hidden gem that's fast emerging as one of Asia's most stunning golf destinations. With dramatic mountain landscapes, crystal-clear lakes, and spring-like weather year-round, Yunnan offers a golf experience unlike

Asia's top golf resorts. In Kunming, the Sunshine Golf Club blends lush parkland design with modern flair. And for those looking for something truly unique, Canghai Golf Club in Dali delivers jaw-dropping golf at over 2,000 meters above sea level - complete with views of snow-capped peaks and Tibetan-style villages. Off the course, Yunnan's rich cultural mix and relaxed pace offer plenty to explore. Wander through ancient towns like Dali or Lijiang, sip Pu'er tea at its source, or take in the spectacular scenery of Jade Dragon Snow Mountain. With fresh air, quiet fairways, and an authentic feel, Yunnan is ideal for golfers who want something a little different - something

City Golf & Lake Resort is widely regarded as one of China's - and Asia's - top golf destinations. With two championship courses designed by Robert Trent Jones Jr. and Jack Nicklaus, the resort offers a perfect mix of scenic beauty and serious golf.

The Lake Course, a Robert Trent Jones Jr. design, winds along the lake's edge with wide fairways, thoughtful bunkering, and dramatic views from nearly every hole. Ranked China's #1 golf course by China Golf Digest and one of the Top 100 Courses Outside the US by Golf Digest, it's both forgiving and visually unforgettable - ideal for players of all levels.

By contrast, the **Mountain Course**, designed by Jack Nicklaus, ups the challenge with elevation changes, tight driving holes, and undulating greens. Set against rolling hills and offering sweeping views of the lake and surrounding countryside, it's a bold, strategic course favored by experienced golfers. Recognized as one of the top courses in China, it adds a thrilling edge to any Yunnan golf trip.

Spring City's cool climate, well-trained caddies, and top-class facilities - including a luxury

clubhouse, practice area, and golf academy - round out the experience. Whether you're

looking for breathtaking views, serious golf, or both, Spring City belongs on every golfer's Asia itinerary. To book your tailored travel package and find out more information, please email us.
