Golfasian has been SHA (Safety & Health Administration) accredited by the Tourism Authority of Thailand which is an initiative by the Tourism Authority of Thailand that has provided a selected number of tour operators and DMCS who underwent stringent safety & health checks with the SHA (Safety & Health Administration) accreditation.

The stringent measures include a frequent deep cleaning of Golfasian vans before each service, drivers wearing masks and frequent washing of hands. All customers will be provided with masks and free hand sanitizer upon arrival. Temperature checks before entering the vans and before golf and sightseeing activities are now standard.

We are also making use of QR codes for digital in-van golf guide brochures and provide touchless payment. Our drivers and the operators team are well trained on standardized safety protocols required by the government's strict guidelines
